# MENTOR COACHING GROUP

## DEEPEN YOUR PRACTICE

**Mentor Coaching helps deepen your understanding and demonstration of the ICF Core Competencies and therefore your skills and confidence as a practicing coach.**

This programme fulfils the 10 hours of coach mentoring required for your ICF credential application or ACC credential renewal.

The programme takes approximately 4-months to complete and is accredited with **18.5 Core Competency CCEs or 10 hours of Mentor Coaching plus 8.5 Core Competency CCEs** (which is an additional benefit of further CCEs for those credentialed coaches when renewing their credential).

“The Mentor Coaching Group programme was outstanding, right at the leading edge of coaching and perfect if you need to understand at a deeper level how the ICF Core Competencies lead to a more powerful coaching conversation. It was supported throughout with lots of useful theory and practice sessions to embed the learning. I highly recommended this programme for anyone looking toward their ICF credential.”

*- Jonathan Fearon, Mentor Coaching Group Alumni*
